### THIS MAJOR ACCEPTS THE ASSOCIATE DEGREE FOR TRANSFER (ADT)

A California Community College student who has earned the ADT (AA-T or AS-T) is granted priority admission to the CSU into a "similar" baccalaureate degree program with a guarantee of junior standing, as long as the student meets all prescribed admission requirements. ADT students **will only be required to complete 60 additional semester units** to complete the requirements for the "similar" baccalaureate degree.

ADT roadmaps for completing the 60 additional semester units are available here:

<https://www.cpp.edu/academic-programs/academic-advising/tools/sheets-roadmaps/2020-2021/index.shtml>

Additional ADT information: [www.adegreewithaguarantee.com](http://www.adegreewithaguarantee.com)

### TRANSFER AND ADMISSION REQUIREMENTS

#### CSU Eligibility

Transfers must meet the minimum California State University eligibility requirements listed below as the first step in being considered for admission.

Cal Poly Pomona requires **all** transfers to complete the following by spring prior to fall enrollment or by summer for spring enrollment:

- Must be in good academic standing at the last institution attended.
- Must have minimum 2.00 GPA in transferable coursework.
- Must have at least minimum of 60 transferable semester units (90 quarter).
  - 30 of the 60 semester units (45 quarter), must be in General Education.
  - Completion of the "Golden Four."

Supplemental criteria may be required for [impacted majors](#).

*Cal Poly Pomona does not accept students who have completed a Bachelor's degree and are interested in a 2nd Bachelor's. We encourage you to consider a Graduate degree.*

#### Golden Four

- **A1: Oral Communication:** Complete, with a grade of "C-" or higher, a basic public speaking course or other communication course.
- **A2: English Composition:** Complete, with a grade of "C-" or higher, an English composition course that emphasizes essay writing or reading and writing concurrently.
- **A3: Critical Thinking:** Complete, with a grade of "C-" or higher, a second semester composition or writing course, or a course in reasoning and effective argumentative writing.
  - **[All Engineering majors are exempt from completing Critical Thinking as a part of the admission requirements. The Critical Thinking GE A3 requirement is completed through a series of upper- and lower-division design courses within the major requirements.]**
- **B4: Mathematics/Quantitative Reasoning:** Complete, with a grade of "C-" or higher, a mathematics course above the level of intermediate algebra.

**Not all courses listed on this articulation agreement may be required for admission. Please refer to the admissions website below for more information regarding minimum admission requirements.**

### GENERAL EDUCATION REQUIREMENTS

Transfer students may satisfy General Education requirements by completing the CSU General Education Breadth Certification pattern, the Intersegmental General Education Transfer Curriculum (IGETC), or by completing an [Associate Degree for Transfer \(AA-T/AS-T\)](#).

**Transfer students are advised to take courses required for their major as part of CSU General Education Breadth, as specified by each major, to achieve the minimum units to degree.**

Major courses and campus-wide required courses that are approved for GE credit shall also fulfill (double count for) the GE requirement. [\[EO 1100\]](#)

### AMERICAN CULTURAL PERSPECTIVES (ACP) REQUIREMENT

The **American Cultural Perspectives (ACP) Requirement** is a graduation requirement. Courses satisfying this requirement may be part of either a

student's General Education program, major, or minor. These courses may also be taken as electives. This requirement will not constitute an additional unit load on the degree requirements of students in any program. This requirement was implemented fall quarter, 1995.

To satisfy this requirement a student must take at least one four-unit course. Courses that meet the American Cultural Perspectives Requirement should satisfy all of the following criteria:

- Introduce theoretical perspectives and nonwestern/nontraditional approaches for studying gender, ethnicity, and class.
- Include the study of at least one other marker of social difference, such as sexual orientation, religious affiliation, national origin, etc.
- Include substantive materials (books/films/lectures/articles/etc.) by and/or about members of at least two of the following socio-cultural groups: African Americans, Native Americans, Chicano/Latino Americans, Asian Americans, Pacific Islands Americans, Middle Eastern Americans, and European/white ethnic Americans.
- Address intra-cultural differences as well as inter-cultural commonalities between groups that collectively represent the American population. The commonalities and differences may be examined by focusing on diverse cultural practices, environmental ethics, political histories, religious beliefs, or means of artistic expression.

**The ACP Requirement section below contains articulated transfer courses approved to satisfy the ACP requirement at CPP.**

## GRADUATION WRITING TEST REQUIREMENT

**The California State University Graduate Writing Assessment Requirement (GWAR) has been temporarily suspended.**
