Articulation Agreement by Major

Effective during the 2020-2021 Academic Year

To: Humboldt State University 2020-2021 General Catalog, Semester

From: San Diego City College 2020-2021 General Catalog, Semester

Nursing B.S.N. - R.N. to B.S.N.

This by-major agreement displays the lower-division courses required in the major: Humboldt State University (HSU) courses on the left, and approved (articulated) transfer courses on the right.

See the Office of Admissions website for current admission requirements. Completion of all coursework listed in this agreement is **not** necessarily mandatory prior to admission.

Check the **HSU Catalog** for a full listing of degree requirements for this major.

Students may satisfy lower division GE requirements with the CSU General Education (CSU-GE) Breadth pattern, the Intersegmental General Education Transfer Curriculum (IGETC), or by earning an Associate Degree for Transfer (AA-T/AS-T).

The articulation agreement below is subject to periodic revision. Consult a counselor every semester to obtain current information about possible changes in the agreement.

Additional Resources

- earn college credit for examinations (AP, IB, CLEP, & more)
- learn about transfer credit at HSU

IMPACTION CRITERIA FOR 2020-21 APPLICANTS

During the 2020-21 application cycle, this major is impacted for Upper Division Transfer applicants (60 or more semester units). Admission to certain majors at HSU is competitive because HSU continues to receive more qualified applicants than available new student spaces. Entrance into these programs is a selective and competitive process, and supplemental criteria may be used.

Students must apply during the priority application filing period (October 1 - November 30 for fall semester; August 1-31 for spring semester). Please refer to the Office of Admissions website for the most up to date information on impacted programs and supplemental admission criteria: https://admissions.humboldt.edu/apply/impaction

ABOUT THIS MAJOR

This is an RN to BSN program.

The Nursing RN to BSN program at Humboldt State is designed for students who have earned an associate degree in nursing, hold a Registered Nursing (RN) license, and want to advance their skills in leadership, care management and health promotion. The program's curriculum is designed specifically for our area, focusing on physical and psychosocial health needs and problems within the region's rural and tribal communities. The program accommodates working nurses with a flexible blend of online and in-person courses.

Program Admission Requirements

To be eligible for admission to the program, candidates must:

- be a graduate of a nationally recognized, regionally accredited associate degree program in nursing
- have a current, clear, and active California Registered Nursing (RN) license
- have a minimum cumulative GPA of 2.75 from all transfer institutions
- have completed the eight CSU systemwide nursing program prerequisites as outlined under Prerequisites to the Major below
- maintain current California R.N. licensure while enrolled in nursing courses
- it is the student's responsibility to notify the program director immediately, in writing, of any changes in licensure status
